Hull & East Riding CTC – Entry Form for Standard Rides

1. Any machine may be ridden (e.g. bicycle, tricycle or tandem) provided it is propelled solely by muscular effort.
2. The entrant must ensure that his cycle is in sound mechanical condition and fully equipped for the event with efficient brakes. Puncture repair outfit, pump and normal tool kit must be carried. If part of the event takes place in darkness, lighting regulations must be complied with.
3. The entrant must wear suitable clothing and be prepared for adverse weather conditions.
4. The entrant must be at the starting place at least 15 minutes before the official start time, and must not arrive at the finish more than 5% (3 minutes per hour) before or after the ride is due to end, except at the discretion of the Leader.
5. The entrant will receive a checking card, and is responsible for seeing that the card is signed by an official checker, or responsible independent person, at the start, finish and intermediate points as indicated. The card must be surrendered to the Leader on completion.
6. Public roads and rights of way will not be closed and therefore entrants must be aware of other users, ride safely and follow the Highway Code. You should take in to account the variety of riding styles and abilities, and the likelihood that you will catch up with groups of cyclists along the way. Take care not to reduce your standard of cycling when consulting route sheets, and stop in appropriate locations.
7. Entrants under 14 years of age must always be accompanied by a responsible adult, and the CTC Parental Consent Form must be completed for all riders under the age of 18.
8. Non-compliance with these rules may result in a rider being disqualified at the discretion of the committee.
